

### **Great Gorilla Run 2012**

07 January 2014

Our Post Room supervisor, Joe, donned a hairy gorilla suit to run 7km around London to raise awareness of the dwindling numbers of mountain gorillas in the wild.

PHB staff kindly donated £280 which will go towards preserving endangered gorilla habitats. Joe was allowed to keep the gorilla suit he ran the race in, but unfortunately has not been permitted to wear it around the office!
