

Macmillan - The World's Biggest Coffee Morning 2019

30 September 2019

Payne Hicks Beach supported the World's Biggest Coffee Morning in aid of Macmillan Cancer Support on 27 September 2019. Every year Payne Hicks Beach staff warmly support this fundraising event and this year was no different. Staff generously provided an array of cakes and biscuits, including delicious homemade treats and donated to this very worthy charity.

Thank you to all at Payne Hicks Beach who supported the World's Biggest Coffee Morning 2019.
