

The 12th Standard Chartered Great City Race 2016

20 July 2016

Congratulations to Team Payne Hicks Beach who took part in the 12th Standard Chartered Great City Race on 14 July 2016. The event saw many thousands of runners take to the streets London from over 300 companies taking part in the 5km race. Although it was a hot night, Fiona Brown, Tom Quinn and Nick Manners put in a sterling job representing Team PHB.

This extraordinary 5km corporate running challenge again took place around the closed off streets of the City of London. Fiona Brown put in a star performance finishing 15th out of the 1,675 women who took part. Regrettably Fiona's effort could not be matched by either Tom Quinn (1,424th of 3,315 men) or Nick Manners (1,616th), though, more than anything, it is obviously the taking part that counts.

Seeing is Believing was this year's official race beneficiary and all funds raised will be matched by Standard Chartered pound for pound.

Thank you Team PHB for all your efforts and to those who kindly supported the event.
