

### **The London Legal Walk 2015**

06 May 2015

Congratulations to Team Payne Hicks Beach who took part in the London Legal Walk on Monday 18 May 2015.

The team members: Peter Black, Richard Manyon, Clare Hetherington, Isabella Savill, Josh Moger and Lorraine Bennett walked with the Lord Chief Justice and thousands of lawyers to raise monies for the London Legal Support Trust which funds Law Centres and pro bono agencies in and around London.

We know that these agencies do a fantastic job in preventing homelessness, resolving debt problems, gaining care for the elderly and disabled and fighting exploitation. We also know how short they are of the funds to continue that work.

To date, we have raised £480 but if you would like to sponsor the PHB Team there is still time and you can do so by clicking on the link below:
