

The Marsden March 2018

30 March 2018

On Sunday 4 March 2018 Samantha Bridgewater took part in the Marsden March as part of "The Wonder Walkers" to raise funds for the Royal Marsden Cancer Charity. It was extra special this year as Samantha was joined by her 9 year old daughter, Isabella, for the last 5 miles of the 14 mile course. Even the weather couldn't dampen the team's spirits with both mums and children completing the course in 5 ½ hours. Isabella and all the children (the youngest being 5 years), as well as Flora, the dog, did so well.

"The Wonder Walkers" are grateful for all the support and the donations which go to The Royal Marsden Cancer Charity which will help provide the best diagnosis, treatment and care for those who have and are affected by cancer.
