

Vicky Clinton completes the Brighton Marathon 2015

24 April 2015

Congratulations to Vicky Clinton who completed the Brighton Marathon on 12 April 2015. Vicky put in months of training, fitting it in between the school run, her journey to work and weekend commitments. She had a few setbacks with knee injuries but on the day, she put on the green vest in support of Macmillan Cancer Support, and completed the course. She has raised £980 so is well on her way to reaching her target of £1,100. Well done, Vicky, a super effort!

If you would like to support this worthwhile cause any contribution would be much appreciated. Vicky's Virgin Money Giving page is <https://www.justgiving.com/Vicky-Clinton/>
