

### **Virgin London Marathon**

10 January 2014

Christine Webb from the Trust and Tax Department completed the London Marathon in aid of Breakthrough Breast Cancer charity on the 17 April 2011. Christine completed the 26 mile course in 6 hours and 24 minutes, an amazing achievement on an incredibly hot day - a rare occasion for the UK! The crowd were amazing, becoming her running buddy around the course and helping her pound her way across the finish line. Christine said the highlight was running along the Embankment and along the Mall, especially when the 25 and 26 miler markers appeared! Well done Christine!
