

### Comic Relief

26 February 2021

The world needs a laugh more than ever! That's why we at Payne Hicks Beach got involved in the Red Nose Day for Comic Relief.

Our colleagues took part in making Red Nose day and Spring bakes and also this time a pandemic creative special of masking making! The firm raised £500 for Comic Relief, putting them in the top 20% of fundraisers this year. A great effort all around.
