

International surrogacy: Florida

17 June 2021

Sarah Williams, Head of Surrogacy, Adoption, Fertility & Modern Family at Payne Hicks Beach, interviews US and Florida expert Surrogacy lawyer, Marla Neufeld, Partner at Greenspoon Marder LLP, on how UK intended parents can best navigate Floridian surrogacy arrangements. Topics include understanding the Floridian surrogacy laws, the rights of the intended parents and the surrogate, current travel restrictions under COVID and the need for advance planning, the Floridian court process, special guardianship orders and the eligibility of a US birth certificate and passport, recorded on 5 February 2021.
