Payne Hicks Beach has been shortlisted at the Citywealth Magic Circle Awards 2021 for the following categories:

- Family/Matrimonial Law Firm of the Year
- Reputation Management Law Firm of the Year
- Immigration Practice of the Year

Citywealth's Magic Circle Awards were established over 15 years ago to highlight the excellence of the lawyers, advisers and managers in the private wealth industry. We are proud that our reputation for our work in the Family, Privacy & Media Law and Citizenship & Immigration sectors has been recognised and such an acknowledgement demonstrates the expertise of our lawyers, the work we undertake in these specialist uhnw and hnw sectors and our commitment to our clients on providing high quality legal advice and service.

Winners will be selected following both public online voting from HNW individuals, family offices, intermediaries, trustees and private bankers and also judging by a panel of wealth management professionals in the private wealth management sector. Public voting is now open until 30 April 2021. The Magic Circle Awards 2021 will take place virtually on 17 May 2021.
