

Athletics win for Clarke

03 August 2011

Payne Hicks Beach client Lawrence Clarke took first spot in the 110 metre hurdles in the Aviva UK Trials and Championships on 31 July. In doing so he set a personal best time of 13.58 seconds and now waits to learn if he is to be selected for the World Championships which are being held later this year. It was a good win for Clarke who, after a bronze medal in last year's Commonwealth Games, has suffered from injury for most of this season.
