

### Citywealth Leaders List 2017

06 June 2017

Payne Hicks Beach is delighted that for another year its leading Private Client, Family and Privacy & Media Law departments have been recognised in the prestigious Citywealth Leaders List 2017. We are very proud that nine partners and two consultants have again been honoured this year. This is a reflection of the quality of our lawyers and the dedicated client service they provide to our clients.

The Citywealth Leaders List is a directory listing the leading professionals in the private wealth management and private client industry. The list brings together lawyers, accountants, family offices, private bankers and trustees who deal with private UHNW clients. The list is the result of an ongoing year-long programme of peer recommendation and rigorous verification.
