

Payne Hicks Beach hosts Chinese delegation

26 September 2014

Payne Hicks Beach was pleased to host a Chinese delegation recently from Henan Province including senior Chinese Judges for a seminar and discussion comparing legal systems in China and the UK. The visit included a tour of Lincoln's Inn and was described on behalf of the delegation by the Henan judges as one of the most useful visits they have had in London and Payne Hicks Beach was thanked most warmly for the splendid welcome.
