

PHB Charity Support: Ellen MacArthur Cancer Trust

29 October 2013

Five staff members ran the 10 mile Great South Run in Portsmouth on Sunday 27 October, raising over £1,500 in support of the Trust which takes young persons suffering from cancer on sailing trips. The members of the PHB team were Andrew Willan, Christopher Baziwe, Emily Foy, Emily Gailey and Jamie Rust. They were joined by Milly, the daughter of Partner Sarah Webb and Milly's friend Alistair who have raised a further £900. A huge thanks to each of them for supporting such a worthwhile cause. It costs approximately £450 to take each young person on a four day trip. Please contact Richard Butcher (rbutcher@phb.co.uk) if you would like to support the charity.
