

Spear's: Tax Advisers Index: Robert Brodrick

28 August 2015

Robert Brodrick, partner in the Private Client department has been recognised as a Recommended Tax and Trust Lawyer and highlighted as a "Distinguished Individual" in the Spear's Tax Advisers Index 2015.

Robert has been endorsed as a top tax lawyer by Spear's and a "distinguished individual" in his field. He is praised for being a gifted communicator and problem-solver. Spear's writes that he is a first-choice solicitor and trusted adviser to Arab royalty and American UHNWs as well as being known for his representation of British landed families. Payne Hicks Beach congratulates Robert, a former Spear's award winner, on this endorsement. It is a clear recognition of his prominent experience in this field of law and his exceptional continued commitment to his clients.

The Index writes that our tax regulations are forever being tweaked and there are more grey areas than in George Clooney's coiffure, so HNWs need the very best advisers to keep them in the black and out of trouble. The Spear's Tax Advisers Index exhaustively identifies and profiles the top tax lawyers and accountants.

Spear's magazine is one of the leading magazines for high net worth individuals. It has been called "the Bible of the banking fraternity" by GQ and "a European rival to Forbes" by the Evening Standard.

The full list can be found in the September/October 2015 issue of the magazine.
